BELGARD® PAVES THE WAY

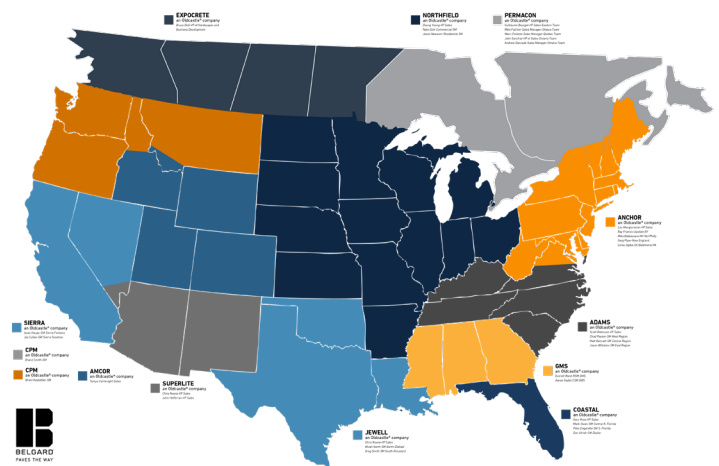

Only Belgard provides the inspiration and tools to bring your outdoor living vision to life, and the peace of mind to ensure it lasts. Since 1995, our locally made and nationally backed products have transformed thousands of residential and commercial properties across North America.

At Belgard, we set the standard for landscape design and innovation. We are committed to providing you and your family with years of outdoor beauty and protection. And we can't wait to see what you think of next.

ABOUT OLDCASTLE APG

Belgard is part of Oldcastle APG, a CRH Company. As North America's leading manufacturer of concrete building and hardscapes products, Oldcastle APG covers a wide spectrum of applications – from the structural masonry to the finishing touches of a backyard oasis.

BELGARD REGIONAL FOOTPRINT

COMMITMENT TO SUSTAINABILITY

Belgard is a long-standing member and badge holder from the U.S. Green Building Council (USGBC), the creator of LEED® certification. Developed in 1998, LEED provides voluntary guidelines for reducing energy and wasted resources from building and site design. Interlocking Concrete Pavements (ICP), including Permeable Interlocking Concrete Pavements (PICPs), are eligible for LEED credits under USGBC and CaGBC guidelines. To learn more about how concrete pavers earn LEED points, visit the ICPI website at www.icpi.org/sustainability.
